Dated 7th May 1936.

Dear Mr. Venkataswami,

- 8 MAY 1936

C.B.

I have received by air mail a letter from Dr. Metcalfe written on the 26th April, in which he says that he wishes to leave Mrs. Metcalfe in England for further treatment and return alone at the end of the vacation. He will be leaving Liverpool on the 5th June and arriving at Cochin on the 28th June. Since the colleges reopen on the 24th June, this necessitates the grant of special permission to Dr. Metcalfe for late arrival. If permission cannot be had, the alternative will be that he will have to leave England a fortnight earlier and arrive via Colombo. Dr. Metcalfe says that he is writing to the First Member in the matter and desires to have orders of Government immediately, since a reply by the middle of May will not give him much time to arrange his departure. I write this to you under instructions to request you to be so good as to obtain orders of Government immediately and communicate them to Dr. Metcalfe by cable. His address is : -

Hove, Sussex.

Yours sincerely,

time to prevent an irretrievable damage -

I am sending this letter by air mail for favour of kind communication of your orders by cable urgently on the following point. The Senate not long ago reduced the Long Vacation by one week: so that the term opens now on June 24th instead of on July 1st. as formerly. - I have taken return passage this time by the Bibby Line from Cochin, for convenience and economy. - The most suitable return sailing is by the "Shropshire", leaving Liverpool on June 5th. and arriving at Cochin on June 28th. which would get me to Bangalore on June 29th. - The sailings are only fortnightly by this line: and only monthly to Cochin and to Colombo alternately. - Will you please allow me to return by the "Shropshire", condoning the 5 days late arrival - or granting me casual leave for that time? - If this cannot be permitted, I must return by the "Derbyshire", leaving Liverpool on May 22nd. and arriving at Colombo on June 15th, involving the longer and more extensive train journey; and entailing my already brief stay here. - Please give your decision very early, and communicate by cable: either "Permitted return Shropshire" or "Required return Derbyshire". - I hear that my locum tenens has made an excellent impression on the Senate: and has managed the Special Convocation very smoothly. - Hoping this finds you in the best of health and spirits - and with kindest regards from us both, yours very sincerely,
E. P. Mearns.
